

# Filo SPOT DUO 15

## Características técnicas / Technical data

|                                 |                                     |
|---------------------------------|-------------------------------------|
| Potencia / Power                | 2.5W                                |
| CCT                             | 2700K / 4000K / 6000K               |
| IRC / CRI                       | > 85                                |
| Ángulo de apertura / Beam angle | 37°                                 |
| Vida útil LED / LED lifespan    | 50000h                              |
| Material / Material             | Aluminio / Aluminium                |
| Sistema óptico / Optical system | Lente / Lens                        |
| Instalación / Installation      | Carril mini 24V /<br>Mini 24V track |

|                                     |                                                    |
|-------------------------------------|----------------------------------------------------|
| Flujo luminoso / Luminous flux      | 142 lm (2700K)<br>142 lm (4000K)<br>172 lm (6000K) |
| Voltaje de entrada / Input voltage  | 24V                                                |
| Sistema de Control / Control system | On/Off                                             |
| Acabado / Finish                    | ●                                                  |
| Referencias / References            | 50.004 (2700K)<br>50.005 (4000K)<br>50.006 (6000K) |
