CERTIFICATE

LUZ NEGRA
linear lighting solutions

CERTIFICATE

The product described has been tested in accordance with the standards mentioned above; the CE marking may therefore be used.

The object of the declaration described above complies with Directive 2011/65/EU of the European Parliament and of the Council of 8 June 2011 on the restriction of the use of certain hazardous substances in electrical and electronic equipment.

This declaration of conformity is issued under the sole responsibility of the manufacturer, based on the data supplied by the manufacturer.

This certificate is issued at the request of the interested party for all appropriate purposes.
