

Our PROFESSIONAL led profile series for handrails, manufactured in stainless steel is supplied along with its components, on request. This profile allows us to incorporate led lighting, using our Versailles led profile (recommended option) or our Philadelphia led profile.

We also offer a wide range of accessories such as wall supports, joints, end caps and open/closed elbow joints.

This steel profile is available in 5m lengths, which allows us to carry out long installations. Suitable for led strips with a maximum width of 12mm and a power not greater than 20W/m. In order to obtain a more homogeneous illumination, we recommend using our opal cover along with our ecoled strips, Canovelles-Barcelona-Gomera-COB.

**We offer a 2 year guarantee.**

## COMENZA HANDRAIL

Scale 1:1

### Stainless steel profile

- |        |   |    |
|--------|---|----|
| 12.008 | polished stainless steel                | 5m |
| 12.019 | polished stainless steel "satin finish" | 5m |

### Corner connector

- |        |   |
|--------|---|
| 22.026 | polished stainless steel                |
| 22.108 | polished stainless steel "satin finish" |

### Wall support

- |        |   |
|--------|---|
| 22.027 | polished stainless steel                |
| 22.109 | polished stainless steel "satin finish" |

### Adjustable connector

- |        |   |
|--------|---|
| 22.028 | polished stainless steel                |
| 22.110 | polished stainless steel "satin finish" |

### Adjustable connector 55° / 20°
