

# led profile by Luz Negra

Our BASIC led profile series, suitable for stair lighting is manufactured in high purity aluminium and available in black anodised (on demand can be supplied with silver anodised or other coloured finishings).

Its rubber cover, when combined with this profile, provides an IP20 while also offering a more homogeneous illumination. Also, its design allows us to achieve upward as well as downward light emissions, which is also interesting for lighting up the lower part of the step.

This profile and its cover are available in lengths of 2.40 metres. We recommend using it with our Cies ecoled strips (with PCB not wider than 8mm and IP20).

**We offer a 2 year guarantee on our profiles and covers.**

## NIZA DUO

Scale 1:1

**Aluminium profile**

06.002 anodised black 2.40m

**Upper cover**

18.046 white 2.40m

**Endcaps**

19.110 black aluminium set of 2 units
