

GALES SLIM

Our PROFESSIONAL led profile series for surfaces/hanging applications is manufactured in high purity aluminium and lacquered in textured white and grey. Drivers can be housed inside.

This profile can be combined with our frosted white cover and the internal tray allows us to screw the rigid led strip on one side and enables us to house the power supply on the other. At the same time this tray can be removed from the front which means easy maintenance. For safety measures, we recommend the fixing of a braided cable from the profile base to the dissipation tray. Both profile and cover are available in 3.4 metre lengths.

We offer a 2 year guarantee on the profiles and cover.

Scale 1:1

Aluminium profile

17.007	lacquered grey	3.40m
17.008	lacquered white	3.40m
17.011	lacquered black	3.40m

Aluminium tray

16.027	lacquered white	3.40m
--------	-----------------	-------

Cover

18.111	frosted	3.40m
--------	---------	-------

Aluminium endcaps

19.301	grey
19.302	white
19.353	black

Profile joints

22.218	steel
--------	-------

Hanging kit

21.001	chrome	set of 2 units
21.002	white	set of 2 units
21.003	black	set of 2 units

Safety cable

22.039	steel
