Custom-made light boxes with frontal textile and RGB digital led inside. Profile of aluminium F110 (depth of 11cm), white/black lacquered or silver anodised. Rear side of black alucobond.

It includes white, translucent frontal side, power supply and controller ref: 41.047 (externally installed), a mapping of the installation and 5 default effects from our standard collection (fire, water, waves, plasma, etc.).

On demand, we can quote special, customised effects and other types of controllers.

Luz Negra manufactures luminaires, which can also be personalised with textile fronts. We also supply a printing service for the front image along with various programming options for the led lighting effects.

Check with the comercial department.
